The Year 2004

Superintendent

James J. Hager

Principal

Jerome Burke

Congratulations to the Class of 2004

Southeastern is proud to have served you during your high school years. The skills and knowledge you have gained has prepared you to enter the workforce, to seek post-graduate opportunities and to enter our community as respected and participating citizens. You have built a solid foundation as you begin your journey through life.

I wish you much success and happiness in all your future endeavors.

James Hager, Superintendent

Congratulations to the Class of 2004. You were one of the most successful classes Southeastern Regional ever graduated. Your record of achievement will be difficult for other classes to equal. I hope your successes as students are just beginning. The skills, knowledge, and values you learned here at Southeastern will prepare you for whatever your future offers. I hope you experience each day to the fullest and find happiness in whatever you do.

Remember those who support and encourage you, I hope the Southeastern community is always a part of those pleasant memories. As Coast Guard Commander Michael Day, Class of 1982 and a hero during the 9-11 attach in New York, said, "I think the can-do attitude I learned at Southeastern . . . got me through that day." I trust that this same can-do attitude you learned at Southeastern prepared you to meet any challenge you experience.
